

BARBOUN

We focus on the finest sustainable and organically farmed wines. Our wines are produced by real people - farmers who have a deep sense of their land and a connection with nature. We are proud to support this mentality and develop close friendships - not to mention drink their delicious wines! All our wines are sold by the 125ml glass or 750ml bottle. VG are vegan.

BARBOUN

ORANGE WINE

Orange winemaking is a very natural process that uses little to no additives, sometimes not even yeast. In essence, it's a white wine that's made like a red wine. Because of all this, they taste very different from regular white wines.
